

Manuscript title: _____

Manuscript number: _____

Each author must fill out a separate copy of this form.

All persons and only persons who meet authorship criteria should be listed as authors. Criteria for authorship include having performed at least one of the tasks listed in boxes # 1-6 below and having read and approved the final version of the paper. All authors certify that they have participated sufficiently in the work to take public responsibility for the content, including participation in the concept, design, analysis, writing, and/or revision of the manuscript. Furthermore, each author certifies that this material or similar material has not been and will not be submitted to or published in any other publication before its appearance in the Puerto Rico Health Sciences Journal. If this study has been or will be presented at a national meeting, indicate the appropriate information on the title page.

Acknowledgment: All persons who have made substantial contributions to the work reported in the manuscript, including but not limited to generating data, performing statistical analysis, and/or substantial editing that affects the content of the paper, but whose contribution is not sufficient to warrant inclusion as an author, should be listed in the Acknowledgment along with their affiliation(s) and funding source(s), if any, and have given the Journal permission to be named. If I (we) do not include an acknowledgment, that means I (we) have not received substantial contributions from non author's.

The author's name must be typed or clearly printed beneath the signature. Each author must indicate which of the following aspects of the work he or she participated in by checking the box(es) that apply. (It is not necessary for each author to check each of the boxes.) At least one of boxes 1-6 below must be applicable and checked by each author. Box number 9 must also be applicable to each author and must be checked.
